5. (Confidential - JGO) Met with Chairman Lucien Nedzi, Intelligence Subcommittee, House Armed Services Committee, who is just back in the office today from his European trip. He had on his desk a copy of the remarks of Representative Edward I. Koch (D., N.Y.) on the floor of the House concerning Agency training of police and appeared quite concerned. I reviewed with him in quite some detail our briefings for the New York City Police representatives and the other briefings and training sessions provided various departments since May of 1970. I also told him of the meeting Jack Maury and I had with Chairman Holifield and his staff, of House Government Operations Committee, this morning. Although Nedzi made it clear that this is a purely political problem regardless of the merits of Agency liaison with other Government entities and that he does not completely approve such training by other than the FBI for local departments, he asked that we take the matter under advisement and review such programs in the light of what has happened in the instant case. When the matter has been reviewed and our proposals as to future actions in this area have been formulated, he would then like to discuss the matter further with us. I left with Nedzi copies of the various fact sheets that we have developed, the correspondence with Koch, and several of the noteworthy press items.

I also reviewed with Nedzi the Agency correspondence with Representative Michael Harrington (D., Mass.) concerning Agency budget for public relations activities. Nedzi gave his wholehearted approval of the response forwarded to Harrington.

6. (Confidential - JGO) Met with Frank Slatinshek, Chief Counsel, House Armed Services Committee, and briefed him on today's meetings with Chairman Chet Holifield, House Government Operations Committee, and Chairman Nedzi, Intelligence Subcommittee. I told him I passed copies of the Harrington correspondence to Chairman Nedzi as he had requested earlier. Slatinshek thanked me for keeping him up-to-date.

7. (Confidential - JGO) Received a call from Douglas Dahlip, Counsel, Subcommittee on Legislation and Military Operations, House Government Operations Committee, who told me that as a followup to this morning's meeting, he would have a draft letter available to be picked up for our review some time tomorrow morning.
